Sample information for Electrospinning:

1. *Polymer name and amount : _____
2. *Drum rotation speed: _____
3. Syringe Translation Speed: _____ (Zero if not specified)
4. *Solution flow rate: _____
5. *Voltage Required: _____

(To be filled by the Center Incharge, Nanotechnology Research Center)

Date of receipt of Sample: _____
Scheduled date of sample analysis: _____
Researcher in-charge for sample analysis: _____

Signature of Center Incharge

Note:

A maximum of 5 ml of 1 Polymer may be coated using a single requisition form. **Please bring your own Substrates**

Columns marked * must be filled to ensure quick processing of samples

^s - **No charges for students/staff of SRMIST.**

The charges for external users have to be paid at the time of sample submission. All payments should be made in the form of a demand draft(D.D) in favour of “SRMIST CONSULTANCY” payable at Chennai and the payment should be sent to **Nanotechnology Research Centre, Ground Floor Hitech Block, SRMIST , Chennai – 600 203. Reports will be released only after payment is received.**

Kindly send us the publication reference of all publication arising out of analysis done at the Center. (Journal name, Volume number, Names of the authors, Date of issue of the publication etc).
